Treat your employees like family. Have each other's back and always help one another improve; talent discovered and used in the right situations can seize opportunities rightly. 3.

### 5 Ways Leaders Must Build a Family Environment to Achieve ...

Just as with literal families, friends who are like family can bring not only happiness but also pain, because the comfort of a close bond can sometimes morph into the restraints of bondage. The closer the bond, the greater the power to hurt – by disappointing, letting you down or, the ultimate betrayal, by dying.

### The Psychology of Home: Why Where You Live Means So Much

The "Family tree chart" template is a simple spreadsheet with colored cells to outline a family tree. There is only room for yourself and four generations of direct ancestors. This makes it a good choice for school projects, but not extended genealogy research. To use it, just click on the colored cells and type in the name of your family members.
