Warren Berger has it right. In his bestselling new book, *A More Beautiful Question: The Power of Inquiry to Spark Breakthrough Ideas*, Berger argues that while we're all hungry for better answers, we must first learn to ask the right questions. Through a number of well-researched stories, Berger demonstrates that the most creative, successful people in the world tend to be expert questioners.

The Power of Asking the Right Questions

Asking the Right Questions provides readers with a solid walk through of how to critically analyze a formal or informal piece of argumentative writing. It clearly lists the steps one needs to take to understand and evaluate an argument, which it thinks of as a "sponge and filter" approach.

Ask the right questions!!! Stop looking outside yourself for the answers that will change your life and begin looking inside. That's a powerful, self-empowering place to begin. It takes a little courage to look inside; to ask questions of yourself; risking that you may not be able to answer your own questions. But think about it.
