Authorship And Film

Film authorship has been a topic of debate in film theory since the Cahiers du Cinema critics first birthed auteur theory. Andrew Sarris used this theory to categorize directors based on their level of artistic authorship, solidifying the idea that a director is the sole author of a film.

A Case Study on Film Authorship: Exploring the Theoretical ...

Few topics in the study of film produce as much controversy as authorship. Critics, historians, and theoreticians heatedly debate film authors, arguing vociferously about the nature of film authorship and questioning whether films even have authors at all. Film Authorship evaluates these debates in a rigorous and accessible manner. Generously illustrated, the book analyzes the historical development and theoretical underpinnings of the concepts of film authorship and the auteur.

Film Authorship | Columbia University Press

Does a film need to have an author? Perhaps, to qualify as "art," a film needs an author, an artist. The question of authorship is important in every art form, whether for reasons of intellectual property rights and the art market or for reasons of status and identification. Painting and sculpture have usually offered reasonably clear examples of the individual artist as author, as have the novel and poetry. But other arts can pose considerable problems for straightforward identification of ...
