Airbus A319/320/321 Notes

One other feature is that all aircraft in the A320 family including even the larger A330 and A340 all share the same cockpit layout which makes it easier for pilots to transition from one aircraft to another, thus saving time and money for airline companies. Today, the A320 has become Airbus Industries best selling aircraft, with well over 8,000

Operations Manual - BlackBox Simulation

For the operation of the in-service fleet, Airbus offers a variety of planning services to enhance material availability for maintenance events. Airbus ensures that, for both scheduled and unscheduled maintenance, customers can get all the material they need without jeopardising the planned aircraft ground-time.
