By Larry Osborne Innovations Dirty

Yesterday I gave a talk on Innovation's Dirty Little Secret at a conference in Phoenix. It's one of those talks that always gets a strong response. This time was no exception even though I was fighting a seriously wicked head cold (which must have produced some pretty gross sounds on the recording as I coughed...

Innovation. And when you understand it, you have the potential to become a serial innovator. But gaining an understanding isn't as common as you'd think. Innovation's Dirty Little Secret is Larry Osborne's newest book, digging deep into the intricacies of innovation, helping us understand it better. From the v

Book Review - Innovation's Dirty Little Secret by Larry ...

If Innovation's Dirty Little Secret is that most innovations fail, innovation's blind spot is the failure to see that protecting the past is as important as creating the future. Recently, while discussing what makes for a successful serial innovator™ with a group of pastors and business leaders, I was struck again that when it comes to leadership and innovation, all the sex appeal is on ...
