Cueva del Fantasma ("Cave of the Ghost" in Spanish) is a giant cave in southern Venezuela, located in one of the most biologically rich, geologically ancient parts of the world, along the slopes of Aprada-tepui. Large enough for two helicopters to land in the cave, the report from Zootaxa is said to be the first photographic evidence of such an immense cave.

Cueva del Fantasma - Wikipedia

As part of a main quest further down the line you exit a big cave through that monster den so clearing the ghosts might help you down the road so you don't have to fight them later. There's a question mark along the north coast just northeast of Kaer Trolde which is where the quests begins.
