One important factor for me when I am looking for a new boat is the fuel economy. Some might argue that if you have to ask you can't afford it and while that might be true with the cost of marine fuel and the low fuel economy of boating that can add up quickly.. So I have decided to create a user-submitted database of boats and their fuel economy.

No power to fuel pump relay - Volvo Penta 5.0 GXI-E MEF14 October 30th, 2017, 04:32 PM. My fuel pump was not turning on so I started checking the usual, fuses, loose connections, etc. I found that the relay wasn't getting power at any time - from turning the key on to cranking (used multimeter to check between pins 85 & 86). The ignition relay ...
