users took this term and applied it to themselves, despite not fully understanding the meaning of it. As time has gone by, the full meaning of this phrase has been lost entirely. There is another theory that the word ham comes from a shortened version of am ateur, but I feel like this one is a lot less fun.

Amateur Radio (ham
radio) is a popular

hobby and service that
brings people,

electronics and
communication

together. People use
ham radio to talk

across town, around
the world, or even into
space, all without the
Internet or cell phones.

It's fun, social,
educational, and can
be a lifeline during
