Inquisition The Reign Of Fear

This book is a fascinating insight into the Inquisition which reigned fear around the globe for so long, and at how the Catholic Church institutionalised brutality and inhumanity as far as it could, to feed the power and greed of those in charge. At times it was difficult to continue reading due to the heavy and gory nature of the subject matter.

A secret police and a thought police, the Inquisition produced a permanent state of fear. This history, though filled with stories of terror and the unspeakable ways in which human beings can treat one another, is also one of hope and ultimately of the resilience of the human spirit.

Inquisition: The Reign of Fear by Toby Green

The crisis had been provoked by the modernization of Spanish society in the 15th century, and the Inquisition was the first modern persecuting institution in history.¹¹³It was the fear and distrust which people felt towards the economic requirements of the new social system which ensured that the conversos would be among the first victims of the modern world.
