There is one hitch though: you'll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide.

### **Pressed For Time The Acceleration**

In *Pressed for Time*, Judy Wajcman explains why we immediately interpret our experiences with digital technology as inexorably accelerating everyday life. She argues that we are not mere hostages to communication devices, and the sense of always being rushed is the result of the priorities and parameters we ourselves set rather than the machines that help us set them.

being rushed is the result of the priorities and parameters we ourselves set rather than the machines that help us set them.

## **Book Review: Pressed for Time: The Acceleration of Life in ...**

If we feel pressed for time, the author argues, it's not technology's fault. Instead, she says, it's the fault of the priorities and parameters we ourselves set. What she fails to appreciate is how much our stress-inducing expectations are shaped by the invasive and addictive technological environment that surrounds us.

## **Pressed for Time: The Acceleration of Life in Digital ...**

Pressed for Time --Judy Wajcman's clearly, interestingly and highly accessibly written investigation into the many facets of the acceleration of time in our increasingly digital society--is just such a book., A splendid new book.... Takes on--and mostly demolishes--the conventional narrative about the acceleration of life in a digital world.

## **Pressed for Time : The Acceleration of Life in Digital ...**
