**Talent Auditions**  
In the ninth season, the show added a new format to the auditions in the form of the "Golden Buzzer", which began to make appearances within the Got Talent franchise, since it was first introduced on Germany's Got Talent. During auditions, each judge is allowed to use the Golden Buzzer to send an act automatically into the live shows, regardless of the opinion of the other judges; when it was initially used, the buzzer simply saved an act from elimination.
