How To Plan A Task Based Grammar Lesson: 6 Easy Steps

As in task-based teaching the belief behind CLIL and content-based instruction is that learners acquire language most efficiently when their attention is on content rather than form. In this case the content is to do with language. The serious study of language should be a central part of any language learning course.

Lesson Plans - Welcome to Willis ELT

A task-based approach Task -based learning offers an alternative for language teachers. In a task-based lesson the teacher doesn't pre-determine what language will be studied, the lesson is based around the completion of a central task and the language studied is determined by what happens as the students complete it.
