Frontlines is an action-packed military sci-fi series that ...

Terms of Enlistment is a newly written but old-school military science fiction novel. It follows the protagonist, Andrew Grayson, from high-rise slums through boot camp, a combat infantry posting, and then out into space. The tone and style are similar to Robert Heinlein's Starship Troopers or Jerry Pournelle's Co-Dominium.

Terms of Enlistment is by no means a perfect book but it was one I enjoyed immensely: a non blustery military sci fi that isn't in love with its tech, its military, or right wing politics. Rather, we have an everyman navigating the military as a way out of a dead end life on welfare, who won't suddenly end up captaining a ship or becoming an ...
